

Feel at Home in The Hague
International Community Fair

19 SEPTEMBER 2010

11:00 – 17:00 | STADHUIS PLEIN | DEN HAAG | www.afroeuro.org

A special feature of this year's Feel at Home International Community Fair will be the African Enterprise Island bringing together migrant companies and potential investors. The fair will provide the opportunity for African embassies, Dutch and African migrant entrepreneurs to showcase their products, services and projects. Major highlights will include workshops on business skills training and sourcing investment finance. As the fair brings in more than 2000 visitors each year, it provides a unique opportunity for networking and promotion.
